

VIII INTERNATIONAL WATER FORUM

“AQUA UKRAINE - 2010”

International Trade Fair and Conference

NOVEMBER 9 – 12, 2010

15 Brovarskoy Ave., International Exhibition Center, Kiev, Ukraine

ORGANIZERS:

- Ministry of Housing and Communal Services of Ukraine
- Ministry for Environment Protection of Ukraine
- State Committee for Water Management of Ukraine
- Messe Berlin, Germany
- “International Exhibition Centre” Ltd.

The forum is held by the order of the Cabinet of Ministers of Ukraine

The International Water Forum will take place in Kiev on November 9-12, 2010 at the largest Ukrainian exhibition ground.

Within the framework of the Forum, there will be an International Specialized Trade Fair and International Scientific Conference “Water and Environment”, presentations by Ukrainian and foreign producers of equipment and materials for water supply, water and wastewater treatment and wastewater drainage. Paramount importance of these issues, and broad publicity in the media (press, radio, TV) attract every year a great number of visitors to the Water Forum, most of them representing managerial and technical staff of the housing and utility companies, power generation sector, construction, chemical and petrochemical sector, engineering, metal industry, transport, food-processing and other sectors of the Ukrainian economy.

The Subject Matter of the Conference “Water and Environment”:

- International cooperation of Ukraine in the area of water resources protection and ecosystems, including transboundary aspect and cooperation with EU.
- Contemporary state and problems of water resources of Ukraine (surface and ground water), Government policy in the use, protection and replenishment of water resources.
- Legal and regulatory aspects of water legislation of Ukraine, and the need to harmonize the Ukrainian legislation with EU Framework Water Directive and other EU directives.
- State water monitoring, preventing and tackling harmful action of water.
- Water economy of Ukraine, its problems and prospects for further development.
- Contemporary state, and the ways of reforming water and sewerage companies of Ukraine.
- Financial and economic aspects of functioning of water, wastewater and utility sectors, attraction of investments
- “Water and Health” Protocol, drinking water quality, problems of quality water supply, related legislation and regulations.
- Innovative methods and technologies of water treatment and purification.
- Bottled water.
- Communities guarding water consumers’ interests, informational and educational activities

Main Sections of the Specialized Exhibition:

- Water supply for municipal, economic and drinking purposes; water preparation systems; sewage stations
- Technologies and systems for water preparation, water supply and wastewater drainage for industrial, fuel, power-generation, construction and agricultural sectors
- Pumps and pumping equipment for the general industrial purposes, specialized, municipal and household water supply and wastewater drainage
- Utility networks, piping fittings
- Water quality monitoring equipment
- Local water cleaning facilities
- Sewage sludge treatment
- Informational technologies and automated systems for management of water resources, water supply and sewerage networks
- Subsurface water exploration and extraction
- Materials and equipment for construction, maintenance and operation of waterworks, water supply and sewerage systems
- Protection of water resources
- Hydroengineering constructions
- Bottled water

“International Exhibition Center” Ltd.

Address: 15, Brovarskoy Ave., Kiev, Ukraine

Tel.\Fax: +380 44 206 8784, 201 1162, 201 1154

E-mail: aqua-ukr@iec-expo.com.ua, www.tech-expo.com.ua

GENERAL REGULATIONS

1. Participation conditions

The participation in Exhibition is regulated by the following documents:

- Application-Contract with appendixes
- General regulations

All appendixes and general regulations are an integral part of the Application-Contract.

For participation in the Exhibition, Exhibitor is required to submit to Organizer duly completed and signed Application-Contract including all necessary appendixes. Submission of signed Application-Contract implies that the Exhibitor accepts the present general regulations.

Application-Contract is accepted by Organizer not later than 1 month before the opening of the Exhibition. Application-Contracts received after the above said term will be considered, if unoccupied exhibition space is available.

2. Participation fees and costs

The payment of all participation fees and costs is made by Exhibitor according to the above said clauses (according to prices specified in the price-list №1):

2.1. registration fee:

organizational work; publication of catalogue entry information and 2 copies of catalogues; 3 exhibitor's badges, 20 invitation-tickets.

2.2. shell scheme booth

raw space; partition walls; fascia with company name (not more than 15 characters in standard type); 220V single phase socket; 2 spot lights; 1 table; 2 chairs; 1 waste basket, carpet, coatrack.

Minimum exhibition space – 9 sq.m.

All other exhibition equipment and services are provided for extra charge (please see the price-lists №2, 3).

2.3. raw space

Minimum exhibition space – 15 sq.m.

In case of individual stand construction, the company which carries out the construction, must obtain accreditation from the appropriate IEC's sections.

3. Cost of external participation

The cost of external participation includes such services as: publication of catalogue entry information, 1 exhibitor's badge, display and circulation of printed advertising materials on the general information counter.

4. Method of payment

After receipt of the filled out, signed and stamped Application-Contract, the Organizer invoices the Exhibitor. Invoice should be paid by Exhibitor according to par. 5 of the Application-Contract.

5. Penalty

If the Exhibitor does not meet the timing terms of payment specified in the Application-Contract, the Exhibitor pays to the organizer a fine of double Ukrainian National Bank's rate effective at the moment of payment, for every day of the delay of payment.

A partial or entire refusal of exhibition space may be done by giving notice in writing to the Organizer not later than 1 month (30 days) before the opening of the Exhibition. If the notice is given after the above said timing terms, the Exhibitor shall pay penalty at the rate of 100% of the total sum stated in the Application-Contract.

6. Exhibition catalogue

The catalogue entry (print and electronic version) should be forwarded to Organizer in English / Ukrainian language not later than 1 month before the opening of Exhibition. The following information is required: company name, phone numbers (including area code), fax number, e-mail, in all not more than 360 characters of text. Additional text is placed for extra charges according to prices listed in the price-list №1. For placing advertisement in the catalogue the Exhibitor is required to provide layout of the page in electronic and print version.

7. Exhibition's working hours and security

The Exhibition's work hours are: on November 9-11 from 10:00 to 18:00, on November 12 from 10:00 to 16:00.

The Organizer will provide a general security service at Exhibition site during the exhibition working hours (on November 9-11 from 10:00 to 18:30, on November 12 from 10:00 to 16:30). Safety of exposition during exhibition work hours is responsibility of the Exhibitor.

Organizer is responsible for safety of exposition after closure hours and at night (from 6:30 p.m. to 9:00 a.m. of the next day). The Organizer recommends to insure the Exhibitor's property against all risks. The Exhibitor is obliged to observe fire safety rules.

8. Cleaning

The Organizer will provide cleaning of the aisles. According to the written Exhibitor's application, cleaning of his own exposition area is done for extra charge according to prices listed in the price-list №2.

9. Goods delivery and customs clearance

Delivery and customs clearance of goods are carried out according to the contracts concluded between the Exhibitor and a specialized company, for example: PANALPINA (tel. +380 44 494 3838, 494 0256), Expo-Dan (tel. +380 44 581-3565), SK-Expo (tel. +380 44 526 9450, 526-9451, 526-9468).

10. Trade

Sale of goods on Exhibition site is carried out according to the Ukrainian legislation.
