

WASSER BERLIN INTERNATIONAL Advertising Box

Through the advertising box, Messe Berlin GmbH offers exhibitors a package of marketing tools to optimize their presence at the fair and in the market. The advertising box includes detailed company information in the **Printed Catalogue and Online Catalogue (=Virtual Market Place®)**.

The Internet as an information and communication platform - worldwide ♦ 365 days a year ♦ 24 hours a day – has an even greater meaning. Through **WASSER BERLIN INTERNATIONAL Virtual Market Place** we want to build on this potential and optimise its use for the benefit of our exhibitors.

The booking of an Advertising Box is compulsory for all **primary and co-exhibitors**. The Advertising Box fees are charged as a mandatory flat rate contribution that is invoiced to the primary exhibitor as part of the stand rental fee. In order to properly cater for the individual needs and requirements of the various exhibitors, we have developed several additional services, which can be booked aside.
